WILSON APPOINTS EXPERTS TO DRAW UP PLAN FOR A LEAGUE

ideas of the American delegation.
These men have not finished their ALLIES TO FORCE work and unless the President, without consultation, has prepared a plan which he is willing to put forward as that of the United States, there is now no such thing as a definitely accepted plan.

WANT MACHINERY THAT WILL PREVENT WAR.

President Wilson and his commissioners are working on the theory that Great Britain, France, Italy and the rest of the world want some new machinery which will prevent war. Upon such a determination they are fundamentally agreed. The business of the conversations which begin today is to find a common ground upon which all can units for such a pur- naval and economic experts of the pose. Upon the further details the United States is said to be unconcerned further than to expect a fulwith the principles already announced.

It was reported some time ago that broad principles. There is no reason now to change that forecast.

FRENCH OUTLINE PLAN FOR LEAGUE OF NATIONS

Propose Declaration of the Principal Before Opening the Peace Negotiations.

PARIS, Jan. 13 (Havas) - Leon Bourgoois, former Premier and the French authority on a league of naagreed upon with the French Government that the French Association of a League of Nations would endeavor to reach an agreement us to procedure with similar associations, especially in Great Britain and the United States. The former Premier outlined that had developed in Bremen. the following plan:

"First-The issuance, before the soleum declaration by the Allies, fix- with regard to the easiern front. observance of the rules among them-

"Becond-The peace treaty shall of the

ference shall be called to fix the conference would look into the rights | many of each nation and would consider a state or states, the constitution of an armed force exercising international control and the establishment of diplomatic, judicial and economic measures, tending to isolate BERLIN REDS LOSE the rebellious state and compelling it to depend upon its own resources." Germany, M. Bourgeois added.

have to undergo not only political revolution, but also a mora

"Her very soul has to be changed," he said. In addition, Germany must give guarantees of a military character, make reparation and punish those who have violated all laws of humanity. Until that is accomplished Germany must be compelled to observe all the rules of international control to which nations will have agreed voluntarily.

OPPOSITION IN SENATE TO LEAGUE OF NATIONS

Meyers Says It Should Be Limited.

WASHINGTON, Jan. 13.-Discussing the proposed League of Nations, Sen- arrested in this encounter. ator Sterling of South Dakota, Kepubliofn, in the Senate to-day, urged that in view of present and prospective relations, between the United States, Great Britain, France and Italy, such a league was unnecessary and that its consider ation should be postponed.

Senator Myers. Demograt, of Montana, advocated a restricted League of Nations, but insisted it should not be considered as part of the peace treaty

"The world wants peace first." said Senator Myera. The peace treaty should be framed first and steps taken; to enforce its terms in order to end zens who had volunteered to fight for diers of looters who were caught in

the conflict. Neither Germany nor others of the Central Powers should be admitted to the league of nations, at least in this

generation. The Montana Senator declared the Eleish navy should not be reduced and that the United States should not relinguish the Monroe Doctrine

Montenegro Demands Withdrawni of

Italian Troops. BELGRADE, Jan. 13 .- The immediate withdrawal from Montegenro of all the Italian troops is demanded in a resolution passed by the Montenegrin National Assembly. The resolution alludes to the presence of Italian troops in Montenegro, "now a part of the new State of Sorbs, Croats and Slovenes." as "not dictated by any military necessity, as stable peace reigns in the country."

MORE GUARANTIES FROM THE GERMANS

Foch Presides Over Meeting to Consider Matter of Extending the Time.

fillment of covenants and that details the renewal of the armistice held a of the work shall be in agreement meeting of the Ministry of Foreign Affairs to-day, Marshal Foch nosgided. Among those present wer the most that was hoped for before Marine Leggues, Minister of Recon-Finance Minister Klotz, Minuter of States is a general agreement on struction Loucheur, Minister of Commerce Clementel, Gen. Weygand, Admiral De Bon, Herbert C. Hoover, Vice Admiral Sims and British and italian officers. The meeting ended at 12.39 o'clock.

The conclusions reached at the neeting were considered by the Supreme War Council this afternoon. As soon as the council definitely adopts the new conditions to be imposed on Germany, Marshal Foch will leave for Treves where the Armistice ! Commissions will meet.

The question before the Supreme Council is not only one of the dilator methods of the Germans in carrying! tions, said to-day that it had been out the conditions relative of the handing over of material, &c., but of other considerations of a more general character. The attention of the Counports of internal conditions in Germany and the revolutionary altuation
